Second Concert of 1954-55 B.E.R.A. Series - Charles Rosen, Piano
Thursday, December 2, 1954, 8:30 P. M. - Research Staff Lounge

B.E.R.A. is pleased to present Charles Rosen on December 2 in a piano recital which will include the Beethoven Sonata Opus 111 and works by Bach, Debussy, Ravel, Milton Babbitt and Chopin.

Charles Rosen made his American debut in 1951, and in the same year also received his Ph.D. in French literature from Princeton University. Since then he has concertized in France, Italy and Switzerland as well as in this country; and during the past summer he toured Germany and Austria as soloist with the 7th Army Symphony and also gave solo recitals in Berlin, Munich, Stuttgart and other cities. Mr. Rosen is well known to American music lovers for his many recordings, which include works of Brahms, Mozart, Debussy, Paulenc, Haydn and Martinu.

In a November 1953 N.Y. Herald Tribune review, Virgil Thomson wrote of Charles Rosen's Town Hall Concert - "Charles Rosen is at twenty-six one of the great piano technicians. If you look while you listen you have an impression of Harold Teen turned Horowitz. If you listen while you look you become aware that under all the precocity lies a musical mind of great strength and modesty".

If you plan to attend all four of the remaining B.E.R.A. concerts and do not yet have a subscription ticket you can still save \$1.00 by purchasing such a ticket for \$6.00 from D.E. Alburger, Ext. 685. Subscription tickets will also be available at the door on the night of the concert, as well as single admissions - \$1.75 for adults, and \$0.75 for students of high school age and under.

Camera Club Print Contest

The black-and-white print contest is open to all laboratory employees and members of their families. Professional photographers are excluded. This year the subject of the contest is portraits of children. A photograph shall have no more than three figures and be not larger than 8" x 10", mounted in any fashion. An entrant must expose the negatives, and he may submit up to three different entries. A contestant should put his entries in a single envelope with his name and laboratory address on the outside (no photographer's name on the individual pictures) and deliver this to Leon Saunders, Biology Department, by Friday, December 3. For further details, contact L. Saunders, Ext. 2240.

Soon after the closing date, the pictures will be judged and then all entries will be exhibited on the Cafeteria bulletin board. Four prizes will be awarded: gift certificates for \$10., \$5., \$3., \$2.
